Daily admission, individual memberships and family memberships are limited to residents of the Village of Canal Winchester and the Canal Winchester School District. The following are the established pool rates for the 2008 season:

- **Family Membership:** \$180 for families residing within the Village of Canal Winchester. \$220 for families residing outside the village but inside school district boundaries.
- **Individual Membership:** \$100 for individuals residing within the Village of Canal Winchester. \$115 for individuals residing outside the village but inside school district boundaries.
- **Daily Admission:** \$5 per day. \$2 after 7 p.m.
- **Ten-Day Pass:** \$35 per person.

“This year we’ve made membership applications and a corporation map available online,” said Kim Christian, pool manager. “If people print and fill out their application in advance and check to see whether or not they’re located within the corporation limits, the membership registration process will be a lot smoother. People can also check to see if they live within the school district by looking up their address on their county auditor’s Web site.”

Pool staff will begin taking swim lesson registrations and pool party bookings when the pool opens on May 27. Adults may rent the pool for a private pool party on Thursday, Friday and Saturday evenings from 8 p.m. until 10 p.m. The rental cost is \$100. Swim lessons are scheduled to run two weeks, Monday – Friday, for each class. A complete schedule of swim lesson classes will be available at the pool and on the village’s Web site by May 27, 2008.
